## Questions

### 1. Aero Club Questions

#### 1.1. Can I use my GI Bill benefits to pay for my flight training?

Yes, your Aero Club is an approved training facility.

#### 1.2. Is it possible to volunteer for club work?

Yes! Many of the clubs critical functions are fulfilled by volunteers; contact the [club manager](#) to help.

### 2. Website Questions

#### 2.1. Why is the MOTD in red.

MOTD appears in **red** font when it has not been read (the link followed) on the computer. Some browser settings might cause the MOTD text to always appear in **red** font whether it has been read or not.

After the MOTD has been seen on the computer, until it is next updated by the website administrator it will appear in white font.

#### 2.2. Why does the site look funny in Internet Explorer (IE)?

Make sure and 'Allow Active Content' if you notice that IE asks you whether to allow blocked or active content when you browse to the site.

#### 2.3. I clicked on a tab in the ADDS "Quicklinks" frame, now how do I get back to the top level ADDS frame?

Put focus in the frame (click in the frame), then press the 'backspace' key to navigate back to the top level while in any of the iframes. If you do this when you are at the starting level in the frame, the whole browser will go 'back' (as if the browser 'backbutton' was clicked).
